“ *My heart and prayers are with each of you during this incredibly difficult time. Vickie's presence was truly one of a kind. Her vibe was infectious, and the love, laughter, and energy she brought into every room will never be forgotten. She had a way of making people feel seen, welcomed, and cared for, and that kind of spirit leaves a lasting mark on everyone blessed to know her.*

Although her physical presence is no longer here, I pray her spirit continues to surround you with comfort, strength, and peace in the moments you need it most. Vickie, please make your presence felt and wrap your loved ones in love as they navigate this heartbreaking loss. May the beautiful memories shared with her bring light during the darkest moments.

Sending my deepest condolences, love, and prayers to all who loved her.
