“ *Wow, I'm almost lost for words. This is such a shock and great loss to me. My wonderful Uncle Bill, you were and will always be the greatest of all times. So many wonderful memories are bombarding my mind, like the many trips to the circus, the backstage visits with the globtrotters, the sleepovers with Annette Michelle, boy those were the days! My two most fondest memories are the time Terry and I started fighting in the back seat of your car over my circus ballons, and the valuable lesson you gave me on the proper use of firearms. Lesson well learned. I will love you forever, your AnnetteMarie.*

“ *Uncle Slim, I loved your charm and personality! I especially loved how you were always blessing my brother and sister and I for how well we did in school. You always encouraged us to do our best. I looked up to you so much I took on your name Goldyy. I will always love and remember the good times we shared as a family. Humbly Carmen "Goldii" Harris- Austin*
