

William George "Bill" Keck

August 13, 1929 - April 1, 2020

William "Bill" George Keck age 90 of St. Louis, MO.

Fortified with the Sacraments of Holy Mother Church Wednesday, April 1, 2020.

Bill was born on August 13, 1929, the only child of George and Alice (Bolinski) Keck in Pinckneyville, Illinois.

He is survived by his children Mike, Debbie, Bob, Tom, John {Annette}, Jim (Carolyn), 14 grandchildren, 24 great-grandchildren, 3 great-great grandchildren and many cousins and friends. Bill is also survived by his constant companion Ginger, it didn't matter if he was sleeping or awake, she was always by his side making sure she could touch him.

Bill was preceded in death by his youngest son Mark, his parents, grandparents and his "other mother" Aunt Helen (Bolinski) Radebaugh.

One of his greatest pleasures was spending time at Mike's farm with family and friends. Bill was an avid sports fan of the St. Louis Cardinals and would put everything on hold to watch the game. He loved to deer hunt and duck hunt as long as the St. Louis Rams were not playing.

His family is forever grateful to the caring staff at Mercy Hospital, St. Louis for their compassion and dedication to their father.

We would also like to thank Archway Memorial Chapel, funeral director in charge, Kenneth McGhee and his staff for a heartfelt service on April 6, 2020 at Calvary Cemetery.

A Life Celebration Service gathering will be announced at a later date.

IMPORTANT MESSAGE:

Archway Memorial Chapel is keeping apprised of the current situation and is following all requirements and guidelines of health and government officials. Services will be private for the limited immediate family with the option of live streaming due to the current COVID-19 gathering restrictions. This decision has come after much consideration and consultation with multiple agencies. This isn't something that we want to do, but feel is absolutely necessary to follow these guidelines.
