“ I was deeply saddened by the news of William(BOOBY) passing. My thoughts are with the family during these difficult times. To God be the glory

“ I remember "Booby" when we were teenagers. He and I went to O'Fallon Technical High School. He was one grade higher than me. He often bought me lunch. The cost was 32 cents. We were friends throughout high school. We lost contact after I moved to California. My prayers go out to his family. He is at rest now; no more suffering.
