“ I always thought of Bill as my extended family. He and his family have been very helpful and kind to me when in need. I will miss my lengthy conversations with him especially hearing his fishing stories and about his ancestors. So rest in heaven Bill I miss you.

“ Some of my fondest memories are spending Thanksgiving with the McHenry family and playing basketball with Bill. During our high school years I enjoyed watching Bill play basketball and me cheering for him. I always thought of Bill as my fourth brother. He was so kind to me when my father passed away.

“ Karen & family,

I hope your fond memories comfort you in this time of grief. And, that the love of your family and friends fills the void you're experiencing in your heart.

I remember your father as a soft-spoken, kind and gentle man.

I know he is casting his line and catching plenty of trout eternally.

“ *My Uncle Bill Don was a tall fella with a calm voice. He reminded me of my grandpa Frank Williams. His way was to look at only you when he spoke, so you were sure of his attention. I will always remember his calmness when we got lost coming back to a hotel in Illinois. It was an occasion of great sadness and I was all turned around. He stayed calm and we eventually got where we needed to go. Our love goes to his family, my aunt Marie, cousin Karen, and cousin Roger, and extends to his grandkids and other family and friends,*

*so sincerely,
