“ *I met Uncle Bill in 2014 for the first time and he was full of life and personality. He brought me into his family and I never forgot about how much love they showed me including his beautiful wife Pat. I listened to the stories about his children Lynn and Brett and how proud he was of them. He was always hospitable and ready to spend time with me the only Uncle I really knew. He will always have a place in my heart. I hope Lynn and Brett will find comfort knowing what a incredible father they have.*

“ I would like to extend my deepest sympathy to Bill's family. Bill and I were Church friends at Zion. We helped each other on Altar guild and I thought the world of him. I have not seen him since a little before the pandemic started but he was in my thoughts and prayers and I missed seeing him. I look forward to the day I will see him again.

“ My sympathy Lynn and Brett and your families.

Your Dad always had time to visit when I'd see him at church or out and about. He knew my mom was living in Quincy. He'd ask how she was and then share a memory of his days of traveling to Quincy. Sadly, I didn't often see Bill after I moved to Hannibal.

God's Peace.
