“ So very saddened to hear that my colleague has passed. William brightened meeting spaces and always offered a word of cheer. May the family be strengthened by God's mercy and grace. Pat Sherman from St. Louis Community College

*Mr. Tucker was a good friend of mines, we spoke at least once a month. He was always a private person that kept to himself. I can't stop thinking about the last time I spoke to my friend and he said he was at the emergency room. He had a procedure that did not take to well, and he told me that he would call as soon as he was feeling better. 2 weeks went by and I texted him and no response and later his wife texted me to say that he had passed away. Unbelievable, my heart goes out to everyone in Mr. Tucker's family. He would sometimes talk about his wife and kids to me. He loved his family. I wished I could have been there to say goodbye to my long time friend and mentor. May God bless you'all!!*
