“ Grandma, Grandma. It’s so much to say about you. I was trying to wait for the right moment to write this and put it off but it’s never gonna be a right moment. I’m going to miss you soooooo much. You was the anchor of our family, you was Love, Light, you energy was everything. You was the best grandma a child could ask for growing up. I have so many great memories with you that I’m replaying in my head wishing I could be relive some. I’m gonna cherish everything. Even though my heart aches and it pains me to see you go I know that you are with your maker and you’re not in pain or suffering. I will see you again in Heaven one day. I love you for Eternity

“ Grandma Bean, you will truly be missed physically, however spiritually I know you are with us. I met you around the time President Trump got elected and you lived to see a lot of Presidents, but I guess after his last few statements you had enough and was ready to go and I cannot blame you!!! Hopefully that made you laugh in Heaven!!! Love Always.

“ A Mother Love ‘IS’ true love, and from her heart she cannot lie. A Mother’s love is external, that want die. A Mother love is the tie that binds, and her bond can never be broken. A Mother love is branded in our hearts, even when her words aren’t spoken. “ I Love you Mama”

“ I thank God for my Aunt Bean she was a jewel that will truly be missed. Aunt Bean had the house where we would gather as teenagers & young adults. She was never bothered about coming home after a day's work with a house full of people. This is one of the memories I'll always cherish. RIP Aunt Bean. Love & Miss you! Your niece, Janet Fleming
