“ *My uncle
You taught me values
Lessons in life I would learn
You taught me to respect
I gave you love in return*

*You have always been in my life
Through thick and thin
And now my lonely journey
Without you will begin*

*For you were my hero
Forever and a day
You will always remain that hero
Till I meet you again some day*

*I will embrace you in my arms
And hold on tight
I will stand by your side
And you will never leave my sight*

*I miss you so much
The pain does not ease
I pray you are happy
And finally at peace*
