“ *There are countless memories a could share of our Dad. Most important to me was the dedication how showed in work ethics and giving each and everyone one of us a strong spiritual foundation to grow on. We spoke often through the years after a moving away. There was never a time that I can remember where Dad wasn't there for me. His love could not be measured. My heart is heavy, but I know we will meet again. Rest now and Father you made it home... HALLELUJAH !!!*
