“ I have many, many memories with you grandmother. My best is when I was a young boy I'd wake from a nap to smell all the wonderful dishes and desserts you always made for us (grandpa). I am almost certain I began a career in the culinary world based on those childhood memories. You always let me watch you and I paid attention.

I'm curtain of one thing.....im saddened to have so many years of my life with out knowing you. I wish we had more together.I can not change the past but I can cherish the mememories we did have. I love you and you see your face in my head for the rest of my life. Peace be with you.

Love you dearly

*Dear Gramma, I want you to know I was a lucky girl to have such a wonderful & lovely grandmother like you. You raised me to love and respect everyone. I did as you taught me and I know you have always been proud of me! I know because I spent several of your last years with you and you told me ;). I promise you I will teach my children the same values in their lives as you taught me. You were such an amazing inspiration in my life and I looked up to you and admired you always. I wanted to be that sponge that could love, listen, appreciate, be respectful, and respected, devoted, playful, quite, patient, allegiant, and strong just like you you ALWAYS were up to your very last breath you took. I thank you for everything but I need to ask you 1 more favor and that's to stay by my mom (Caren) she and her husband Marvel devoted every second of their lives to make sure you were comfortable and happy in your home till the very last second you decided to say good bye and go with god. Mom is lucky to have Marvel next to her to hold her and comfort her but she also needs you! So please stand next to her and make her as strong as you always were. She (We) all miss you dearly! I could go on and on about how extraordinary and admired you were & will always be but I will say my good bye and goodnight to you and always know you are near us and will continue protecting all of us like you always have. I love you & miss you

“ So sorry for your loss. I have such great memory's of Aunt Zoe when I was growing up. I remember going to Valley Fair as a child with Carson and Zoe. Carson would buy me popcorn every time we past a vendor. I remember Aunt Zoe made the best lasagna. My mom (Betty Woods) wanted to find out why I liked Aunt Zoe's lasagna and not my mom's. Come to find out it was the cheese my mom used that I didn't like. You are in my prayers. Linda (Woods) Cassioppi
