“ *Zippy was one of our favorite coaches! She helped many students develop their skills while working with BrainWare Learning. She was also so pleasant and the students were so relaxed with her. Because she was always so positive, students developed their self confidence...since she believed in them, they could believe in themselves. You can see in the video how much she was loved by her students. We are so saddened by this loss. We are grateful we had the opportunity to work with her. May she rest in peace...she will be surely missed. Dr. Lou Whitaker, Director of Cognitive Coaching*
